- (b) The Board of Directors of XYZ Ltd. is concerned with decreasing operating efficiency in material consumption. As an Auditor entrusted with investigating the causes for this poor state, what may be the areas of your focus in this respect.
- (c) ABC Limited is in the practice of maintaining consistent dividend payment over a minimum of 14%. The Financial year 2017-18 was so very bad for the Company that it was not possible for the Company to maintain the payment of consistent dividend as above. The Management, being hopeful of recovery of its performance in next year, felt that the depreciation of the year to the extent of 75% alone be charged to the Statement of Profit and Loss and the remaining 25% be kept in a separate account code in the Balance Sheet- 'Debit Balances Adjustable against Revenue account'. The Management was of the view that it would be in fair practice of accounting if the depreciation for asset is charged before the expiry of the lives of assets and the amount parked in asset code as above would unfailingly be adjusted to Revenue before the close of next financial year anyway. Analyse the issues involved and state how the Auditor should decide on this matter.
- (d) H Limited is an Investment Company preparing its Financial Statements in accordance with Ind AS. The Company obtains funds from various investors and commits its performance for fair return and capital appreciation to its investors. During the year under audit, it had been observed that the Company had invested 25% in S1 Ltd., 50% in S2 Ltd. and 60% in S3 Ltd. of the respective share capitals of the Investee Companies. When checking the investment schedule of the Company, an issue cropped as to whether there would arise any need to consolidate accounts of any such investee companies with those of H Limited in accordance with section 129(3) of the Companies Act, 2013 which contains no exclusion from consolidation. Analyse the issues involved and give your views.
