Dear Members,

Re: **Request to provide/update PAN details to avoid blocking of e-filing account by the Income Tax Department**

The Income Tax Department is in the process of bringing out a new project- **Integrated e-Filing and CPC 2.0 Project (CPC 2.0 System)** which is under the final stages of development & is scheduled to Go-Live very soon. Therefore, the Income Tax Department has requested ICAI to reach out its members & inform them to update the PAN details at the earliest otherwise the e-filing account of the members whose correct PAN details are not available/ updated with the Department will get disabled/ blocked. No waiver will be provided by the Income TaxDepartment this time. Kindly note that PAN number, first name, middle name & surname needs to be matched exactly with the E-filing profile of the Income Tax Department.

In this regard, members are requested tokindly update their PAN details at the SSP portal of ICAI so that the same can be updated at the E-filing portal of the Income Tax Department. Kindly visit https://www.icai.org/post/members-services for the said purpose.

We would like to inform that ICAI is taking up the matter with Income Tax Department on top priority basis and the members arerequested to update/provide their PAN details by providing requisite details at the earliest to avoid any last - minute hassles.

WithRegards
