Foreword

Despite the fact that the profession of Chartered Accountancy has diversified in many ways, practice in the area of direct taxation is still one of the important areas for the Chartered Accountants. Our members keep themselves abreast with ever changing taxation laws and have attained commanding heights in this area. Specified assessee receiving donations and registered under the relevant provisions of Income-tax law and claiming exemptions are now required to make one additional compliance. Such donees are now required to furnish details of donors in the specified format (Form 10BD) and there are penal provisions for not furnishing such details by the specified timeline.

The Institute of Chartered Accountants of India (ICAI) has always been proactive in disseminating knowledge and honing the skills of its members. I am really happy to note that the Direct Taxes Committee of ICAI has come out with this publication namely "**Handbook on Statement of Donations Received**" so as to assist the members in meeting their professional commitments.

I appreciate the efforts of CA. Chandrashekhar V. Chitale, Chairman, Direct Taxes Committee and CA. Raj Chawla, Vice-Chairman, Direct Taxes Committee who have worked tirelessly for bringing out this Technical Guide.

I am sure that this Guide will assist the members in complying their professional commitments effectively.

Preface

Taxation continues to be one of the pre-dominant areas of engagements for chartered accountants. Especially, now a days, provisions pertaining to Charitable trusts and the like assesses is constantly changing and updated considering the need of the hour requiring professional help for complying with the same. Even, the Income Tax Department has moved towards completely electronic environment.

Charitable trusts and other similar assesses receives a lot of donations. Donors on the basis of donations made claim deduction under specific provisions of the Income-tax Act, 1961. Earlier there was no mechanism to cross check whether donation are actually made by the donor to specified donee. In order to prevent leakage of revenue, the Hon'ble Finance Minister proposed for a statement to be furnished by the recipient trust and the like assesees (in Form No. 10BD) detailing therein the details of donors and thereafter generation of certificate in the Form 10BE. As per current rules, the said statement is to be furnished by 31st May following the Financial Year. Since it's a first time compliance, a need is being felt for providing relevant guidance at one place to make the said compliance easier for the concerned assesses. Accordingly, this write up hopefully provides a quick guidance from DTC of the ICAI on this subject of furnishing of Form No. 10BD and issuing Form No. 10BE.

To provide quick guidance on this matter, and to elaborate the recent changes made in this regard to the members, this publication/write up would prove to be very useful. It covers the relevant provisions, the forms, requirements of furnishing, certain issues that may be faced and the like. We hope, it would enable the members to better understand the said provisions.

Under the aforesaid circumstances, we at the Direct Taxes Committee thought it fit to bring out this brief publication namely "**Handbook on Statement of Donations Received**" as a handy tool to assist the fraternity to better understand the issues in furnishing and also to assist them in making proper compliance of the new provisions in more objective manner and with consciousness towards related documentations.

We are sincerely thankful to CA. (Dr.) Debashis Mitra, President, ICAI and CA. Aniket Sunil Talati, Vice-President, ICAI for being guiding force behind all initiatives being taken by the Committee.

We are pleased to place on record my sincere gratitude for the involvements and contributions by all the Committee members and our dear Council Colleagues of ICAI. We are sure that this effort of DTC of ICAI would go a long way in assisting our members in making utmost compliance of the new provisions.

Last but not the least, we appreciate the dedicated efforts of CA. Shrutika Oberoi, Secretary, Direct Taxes Committee and CA. Ravi Gupta, Assistant Secretary, Direct Taxes Committee and CA. Rudrakshi Sharma, Professional and CA. Ajay Yadav, Project Associate for their technical and administrative assistance in bringing out this write-up in a limited time.

I. Introduction

Donation for charitable and religious purposes is common feature of Indian culture. Donations are offered for good cause by persons being king, wealthy person and even by common folk. Income-tax law has provided incentive in the form of deduction from taxable income. Law governing deduction for donations for charitable and religious purposes is contained in section 80G of the Income-tax Act, 1961.

With the advent of faceless era of tax assessments, information substantiating amount of income and claims for deductions is being collected from sources. New law has come into force from 1st April, 2022 (AY 2022-23) that requires charitable and public religious institutions to provide information relating to donations received that qualify for deduction under section 80G of the Act. Deductions to donors will be available on the basis of such information furnished. This handbook provides useful information about law and practice of furnishing statements of donations received.

Law on Statement of Donations Received

Section 80G provides for deduction for eligible donations made to charitable and public religious trusts from gross total income. Donors claiming such deductions should be able to substantiate the same. Therefore, instead of seeking information from each donor, the responsibility has been given to the institutions receiving donations.

New law is contained in clause (viii) of section 80G and under clause (i) to sub-section (1A) of section 35. It is applicable from the financial year commencing from 1st April, 2021. Accordingly, for the first time for FY 2021-22 and the due date is 31st May, 2022 after close of the Financial Year.

Donee Trust is required to furnish Form 10BD. On submission of Form 10BD, a certificate in Form 10BE shall be generated by the system. This Form 10BE shall be furnished to the donee. Form no. 26AS will also include information about such donations in case of donors.

II. Legislative Intent and Legal Provisions

Relevant Extract from the Explanatory Memorandum to the Finance Bill 2020-

Filing of statement of donation by donee to cross-check claim of donation by donor. It may further be mentioned that certain provisions of the Act provide that an exempt entity may accept donations or certain sum for utilisation

Handbook on Statement of Donations Received

towards their objects or activities in respect of which the payer, being the donor, gets deduction in computation of his income. At present, there is no reporting obligation by the exempt entity receiving donation/ any sum in respect of such donation/ sum. With the advancement in technology, it is now feasible to standardise the process through which one-to-one matching between what is received by the exempt entity and what is claimed as deduction by the assessee. This standardisation may be similar to the provisions relating to the tax collection/ deduction at source, which already exist in the Act. Therefore, the entities receiving donation/ sum may be made to furnish a statement in respect thereof, and to issue a certificate to the donor/ payer and the claim for deduction to the donor/ payer may be allowed on that basis only.

The following Extract from Budget Speech provides background of the new law relating to furnishing of the Statement.

While presenting the Union Budget for 2020-21 on 1st February 2020, the Hon'ble Finance Minister Smt Nirmala Sitharaman acknowledged the role of charitable institutions in the society. Her budget speech dealing with charitable organizations and new initiatives taken by the government in relation there to is reproduced below-

Acknowledging the important role played by the charitable institutions in the society, the income of these institutions is fully exempt from taxation. Further, donation made to these institutions is also allowed as deduction in computing the taxable income of the donor.

Currently, a taxpayer is required to fill the complete details of the donee in the income tax return for availing deduction.

In order to ease the process of claiming deduction for donation, it is proposed to pre-fill the donee's information in taxpayer's return on the basis of information of donations furnished by the donee. This would result in hassle-free claim of deduction for the donation made by the taxpayer.

The first year of implementation of these forms will be with effect from FY 2021-22

III. Insights into Form No. 10BD

Section 80G of the Income-tax Act, 1961 provides for deduction on payment of donations. Until the last financial year, there was no way to counter check the accuracy of the donations paid. The Income-tax Department (ITD) allowed deduction based on the claim made by the assessee.

Handbook on Statement of Donations Received

However, the CBDT through Notification No. 19/2021 dated 26.03.2021, has notified Form No. 10BD and Form No. 10BE to facilitate more transparency and accuracy on the reconciliation of deductions claimed by the assessee and donations received by the Charitable Organizations.

Form No. 10BD is a statement of donations containing the details of donations received by the Charitable Organizations during the financial year.

- Section code – 80G, 35(1)(ii), 35(1)(ia), 35(1)(iii)

- Name of Donor

Handbook on Statement of Donations Received

- Address of Donor
- Donation type (Corpus, Specific, Restricted Grant/ Others)
- Mode of Receipt (Cash, Kind, Electronic, Others)
- Amount of Donation (Indian rupees)

Following points to be noted while filing Form No 10BD:

- Pre acknowledgment number – To be left blank in case of the original filing, the same will be generated once Form 10BD is filed. However, while filing the revised Form 10BD the same pre acknowledgment number should be mentioned.
- Unique Registration number – URN mentioned at the Sr. No. 5 of Form 10AC (Order for registration or provisional registration or approval or provisional approval)
- Introduction of new Compliances via Form 10BD/10BE is a very big step. Now onwards, details of donations might be reflected in Form No. 26AS/AIS/TIS of Donor, thus it will bring more transparency.

VI. Due Date for Filing the Form:

The due date to file Form No. 10BD is 31st May of the immediately financial year in which donation is received (i.e. for Financial Year 2021-2022, it is 31.05.2022) (Rule 18AB(9))

VII. Issuance of Certificate of Donation

Post filing of Statement of Donations in Form 10BD, the concerned assessee/donee is required to download and issue Certificate of Donation in Form 10BE. The certificate would contain details of recipient like its Name, PAN, Address, URN u/s 80G & 35(1) along with details of donations and donor. For the financial year 2021-22, Form 10BE is to be issued by 31st May 2022. Ideally, Form 10BE information would be reflected in Form 26AS/AIS/TIS of the Donor. However, as per the current provisions, Form No. 10BE is to be sent to all the Donors. Preferably, the same may be sent to email Id/mobile no (if available) in soft form or through post in hard copy to the designated address of the Donors (if provided).

VIII. Procedure for Correction of Error in Certificate of Donation

In case of any inadvertent errors or mistakes in Form 10BE, then there are provisions to rectify the errors or mistakes by filing a correction form (filing Form 10BD again with corrections).

IX. Consequences of Non-filing of Form 10BD

The reporting entity is mandated to comply with the filing of Form 10BD and failure to comply will attract a fee of Rs.200/- per day of delay as per newly inserted section 234G. However, the late fee should not exceed the donation amount in respect of which delay has occurred in filing Form 10BD

Apart from the fee for delay in furnishing statement of donations in Form 10BD, failure to file such statement will also attract penalty u/s 271K, which shall not be less than Rs.10,000/- but may extend up to Rs.1,00,000/-

With the introduction of Form 10BD, it is now crucial for the donor to not only obtain a donation receipt but also a Certificate of Donation in Form 10BE in order to claim deduction. Therefore, if donor is not able to get deduction, it will affect standing of the institution which can lead to reduction in amount of donations to be received in future.

X. No Deduction to Donor

Furnishing of Form 10BD is relevant from the perspective of Donor

Explanation 2A to section 80G provides that 'For the removal of doubts, it is hereby declared that claim of the assessee for a deduction in respect of any donation made to an institution or fund to which the provisions of sub-section (5) apply, in the return of income for any assessment year filed by him, shall be allowed on the basis of information relating to said donation furnished by the institution or fund to the prescribed income-tax authority or the person authorised by such authority, subject to verification in accordance with the risk management strategy formulated by the Board from time to time.'

Thus, when there is failure in furnishing of Form 10BD, the Donor will not be able to claim deduction under section 80G. Also, if particulars of donor are not available with the charitable or public religious institution or particulars of donors are not filled in properly, the donation may not get reflected in his Form No. 26AS. In these circumstances, the Donor shall be deprived of benefit of deduction under section 80G of the Act.

XI. Assessee not having registration for the purpose of receiving donations under Section 80G or Section 35 of Income-tax Act,1961

Such assessee may not be required to file Form 10BD as they are not registered the purpose of receiving donations under Section 80G or Section 35 of Income-tax Act,1961. Donors in such a case will not be able to claim deductions for donations made under the aforesaid sections.

XII. Suggested form for obtaining information of donors

The following form can be used to collect information from donors for furnishing Form no. 10BD:

Name of Donor	Address of Donor	Unique Identification Number (PAN/Aadhaar etc.)	Date of Issue of Identification Number	Type of Donation (Corpus/ Specific direction/ others)	Mode of Receipt (Cash/ Cheque/ DD/E transfer)	Amount of Donation (Indian rupees)	Signature of Donor

In order that the above information is correct, receiving documentary evidence like copy of PAN or Aadhaar card or other Identification Number, etc. is desirable. Further, obtaining signature of the donor on the form containing his particulars is recommended. If the information is not available with the trust or institution at the time of furnishing of the form 10BD, efforts should be made to collect the same either before or even after furnishing the said form. Availability of complete information and evidence will provide ease in furnishing of the Form 10BD. Besides, there is provision for taxation of anonymous donations in section 115BBC. If the information is available, exposure to the risk of donation being treated as anonymous donations shall be avoided.

XIII. Information to be filed by donor in ITR form in respect of donation

The following information is to be furnished by donor to claim deduction of donation made:

- Donation Type

- PAN of Donee
- Name of Donee
- Address of Donee
- Donation in cash
- Donation in Other Mode
- Total Donations
- Eligible Amount of Donations

The amount of donation will be reflected in Serial No. m of Part C of Deductions and Taxable Total Income as per ITR-1 and similar columns in other return forms.

XIV. Details of Donation under Form 26AS

When Donee furnish the Form 10BD, a certificate will be available in the Income tax portal in Form 10BE which is to be furnished to donor. The detail of donations will be reflected in Form 26AS (AIS/TIS) of Donor

XV. Responsibility to furnish Form 10BD/10BE

As per Rule 18AB, Form 10BD to be signed Digitally. For the reporting entity it is to be determined on the basis of provisions of Section 140 of Income-tax Act, 1961.

XVI. Practical Issues in furnishing Form No. 10BD

1. Donations received in kind: Form 10BD requires reporting of donations received in kind as well. However, there will be practical difficulties in reporting the same as there is no basis of valuation prescribed in the Income Tax Act or rules. Donations received in kind may need to be converted in some monetary value. The same should be measured on reasonable or fair basis. It is also to be noted that as per Explanation 5 to Section 80G of the Income-tax Act, 1961 *for the removal of doubts, it is hereby declared that no deduction shall be allowed under this section in respect of any donation unless such donation is of a sum of money.* Thus, it seems that even though the Form No BD seeks information regarding donation in kind, but the same is not eligible for deduction u/s 80G.

2. Small or Penny donations: This type of donations is also required to be reported under Form 10BD. There is no threshold limit prescribed for

Handbook on Statement of Donations Received

reporting donations under this form. Hence, every amount of donation needs to be reported.

3. Donations received in foreign currency: In order to report the same, donations in foreign currency needs to be converted at the exchange rate which may be taken as the date of receipt of donation. If donation is received from foreign donor, it is advisable that organisation must obtain the tax identification number like SSA no, etc. Moreover, donation from foreign sources must comply with the provisions of Foreign contribution(Regulation) Act.

4. Donations received through Digital Platform Channel: Such donations should ideally not form part of anonymous donation under the Income tax law as such donations are made via banking channels and may be accordingly reported.

5. Whether religious trust also required to file form 10BD and 10BE: This issue is not yet clear and on a safer note such trust may file form 10BD. However, as religious trust are generally not eligible for approval u/s 80G, and these trusts are generally having Hundi Donations, the provisions of furnishing information in Form No 10BD to such donation is not applicable. However, where public religious trust is registered under section 80G, then donations to such a trust qualify for deduction under section 80G and for such a trust, it is mandatory to furnish Form 10BD and issuing Form 10BE.

6. PAN details of donor not available with donee at the time of filing: In this regard, 'Notes to file Form 10BD' should be referred which states that if neither PAN or Aadhar number is available, other type of identification like Passport number/Driving license number/Elector's photo identity number/Ration card number/Taxpayer Identification number of country where the person resides can be filled.

7. No Identification number of donor is available with donee: An organisation must put effort to obtain PAN or others IDs from the donor, if any of them is not available then it may amount to anonymous donation as per Section 115BBC of Income Tax Act,1961 which reads as: For the purposes of this section, "anonymous donation" means any voluntary contribution referred to in sub-clause (iia) of clause (24) of section 2, where a person receiving such contribution does not maintain a record of the identity indicating the name and address of the person making such contribution and such other particulars as may be prescribed.'As per Section 115BBC(1), includes any income by way of any anonymous donation, the income-tax

payable shall be the aggregate of—

- (i) the amount of income-tax calculated at the rate of thirty per cent on the aggregate of anonymous donations received in excess of the higher of the following, namely:—
 - (A) five per cent of the total donations received by the assessee; or
 - (B) one lakh rupees, and
 - (ii) the amount of income-tax with which the assessee would have been chargeable had his total income been reduced by the aggregate of anonymous donations received in excess of the amount referred to in sub-clause (A) or sub-clause (B) of clause (i), as the case may be.
- (2) The provisions of sub-section (1) shall not apply to any anonymous donation received by—
- (a) any trust or institution created or established wholly for religious purposes;
 - (b) any trust or institution created or established wholly for religious and charitable purposes other than any anonymous donation made with a specific direction that such donation is for any university or other educational institution or any hospital or other medical institution run by such trust or institution.
- (3) For the purposes of this section, "anonymous donation" means any voluntary contribution referred to in sub-clause (iia) of clause (24) of section 2, where a person receiving such contribution does not maintain a record of the identity indicating the name and address of the person making such contribution and such other particulars as may be prescribed.

8. Whether an institution shall file Form 10BD if provisional approval under section 80G: Form 10BD is required to be filed by every person having approval under section 80G or section 35. It is irrelevant whether the organization has provisional approval or regular approval.

9. What if organisation has not received a single donation or grant during the financial year: In this case you need not file Form 10BD, the Income tax portal so far not permit to file Nil Form 10BD.

10. Whether Form 10BD can be revised: Yes, in case of any Error/Correction in Filing Form 10BD, it can be revised as per 'Notes to fill Form 10BD' , 'Pre Acknowledgement Number' is mentioned which is to be

Handbook on Statement of Donations Received

left blank in case of the original filing, the same will be generated once Form 10BD is filed. However, while filing the revised Form 10BD the same pre acknowledgment number should be mentioned.

11. How many times Form 10BD can be filed: Multiple form 10BD may be filed by the same reporting person, as per the procedures laid down by the Principal Director General of Income-tax (Systems) or the Director General of Income-tax (Systems), as the case may be.

12. Donations received prior to registration under relevant provisions of Income-tax Act, 1961 of the concerned assessee: While filing Form No. 10BD (Statement of Donations), a pertinent question arises whether donations received before the date of registration granted by Income-tax department under section 80G/35 have to be considered for furnishing the same in Form 10BD meant for FY 2021-22. Eg section 80G registration granted on, say 28.02.2022. Then, donations received during the year FY 2021-22 but before 28.02.2022 are eligible for section 80G benefit and whether the same have to be reported in Form 10BD? The CBDT needs to clarify the same.

13. Incomplete Information: If the complete information is not available for all donations, it is not possible to furnish Form 10BD. In such circumstances, as a matter of prudence, the institution may consider furnishing the Form 10BD in respect of donations where all particulars are available. This is because, delay attracts fees and penalty and there is a provision to furnish a correction statement.

14. Correction Statement: On how many occasions correction statement can be furnished? It is noted that proviso to clause (viii) of section 80G(5) states that "Provided that the institution or fund may also deliver to the said prescribed authority, a correction statement for rectification of any mistake or to add, delete or update the information furnished in the statement delivered under this sub-section in such form and verified in such manner as may be prescribed". There is no mention that correction statement can be furnished only once. This is also the case considering object of it is to correct any mistake.

15. Donations in Offering Box: In Religious places like temple, gurudwara, church, mosque etc. donations are put in offerings box by devotees. Since no particulars of donors would be available in such a situation, it is not possible to include such donations in Form 10BD. Further, section 115BBC(2) excludes such donations from purview of anonymous donation.

- (iv) where a deduction is allowed for any previous year under this section in respect of expenditure represented wholly or partly by an asset, no deduction shall be allowed under clause (ii) of sub-section (1) of section 32 for the same or any other previous year in respect of that asset ;
- (v) where the asset mentioned in clause (ii) is used in the business after it ceases to be used for scientific research related to that business, depreciation shall be admissible under clause (ii) of sub-section (1) of section 32.

Explanation 1.—The deduction, to which the assessee is entitled in respect of any sum paid to a National Laboratory, University, Indian Institute of Technology or a specified person for the approved programme referred to in this sub-section, shall not be denied merely on the ground that, subsequent to the payment of such sum by the assessee, the approval granted to,—

(b) Where a deduction has been allowed under clause (a) for any previous year in respect of any expenditure, no deduction in respect of such expenditure shall be allowed under clause (i) of sub-section (1) or clause (ia) of sub-section (2) for the same or any other previous year.

(c) Where a deduction is allowed for any previous year under this sub-section in respect of expenditure represented wholly or partly by an asset, no deduction shall be allowed in respect of that asset under clause (ii) of sub-section (1) of section 32 for the same or any subsequent previous year.

(d) Any deduction made under this sub-section in respect of any expenditure on scientific research in excess of the expenditure actually incurred shall be deemed to have been wrongly made for the purposes of this Act if the assessee fails to furnish within one year of the period allowed by the prescribed authority for completion of the programme, a certificate of its completion obtained from that authority, and the provisions of sub-section (5B) of section 155 shall apply accordingly.

(5) Where, in a scheme of amalgamation, the amalgamating company sells or otherwise transfers to the amalgamated company (being an Indian company) any asset representing expenditure of a capital nature on scientific research,—

- (i) the amalgamating company shall not be allowed the deduction under clause (ii) or clause (iii) of sub-section (2); and
- (ii) the provisions of this section shall, as far as may be, apply to the amalgamated company as they would have applied to the amalgamating company if the latter had not so sold or otherwise transferred the asset.
