35. The Commissioner (GST Policy), CBEC stated that it was proposed to issue notification on cross-empowerment prepared in accordance with the decisions of the Council taken during its 9th Meeting (held on 16 January 2017) and 21st Meeting (held on 9 September 2017). **He stated that while there was a broad agreement for cross-empowerment under the CGST and SGST Acts, there was disagreement on the issue of cross-empowerment under the IGST Act in relation to the Place of Supply Rules.** The Secretary stated that notification of cross-empowerment was urgently required to enable refund to the taxpayers and this notification could be issued. **He added that due to persistent differences on cross-empowerment for the Place of Supply Rules issues under IGST, notification regarding cross-empowerment in respect of other matters could be deferred. He stated that by cross empowering States and Central tax officers for giving refund, it would be ensured that only one officer issued an order of refund for both CGST and SGST.** The Council approved the proposal to issue a notification by the Central Government and the State Governments cross empowering officers of the Central and State Government to sanction refund and that an order of refund passed by an officer of the Central or State Government shall cover both the central tax and the state tax and a similar notification to be issued under the IGST Act.

35.1. The CCT, Karnataka stated that the Council

could also take a decision that till the division of taxpayers was effected between the Central administration and the State administrations, an officer of the Central and the State Government was authorised to process any refund claim filed by an applicant under his jurisdiction. The Secretary stated that division of taxpayers was likely to be done soon. The CCT, Karnataka stated that a lot of ground work was still required to be done and data such as turnover details of migrated taxpayers, removing from it the data of turnover of taxpayers with centralised registration, etc, would take time and for such period, a taxpayer should be given the freedom to approach any tax administration for claiming refund. The Secretary stated that this could be permitted subject to a declaration being given by the applicant that the same refund claim has not been claimed from the other administration having jurisdiction over the applicant. The Council agreed to this suggestion.

36. For agenda item 9, the Council approved the following:-

i. To issue notifications by the Central Government and the State Governments, cross empowering officers of the Central and State Governments to sanction refund and that an order of refund passed by an officer of the Central or State Government shall cover both the Central tax and the State tax. Similar notification to be issued under the IGST Act by the Central Government;

ii. Until the division of taxpayers is effected between the Central and State administration, an officer of the Central and the State Government was authorised to process any refund claim filed by an applicant under his jurisdiction subject to a

declaration being given by the applicant that the same refund claim has not been claimed from the other administration having jurisdiction over the applicant.”

30. I have considered the arguments advanced by the learned counsel for the petitioner and the respondent.

31. The Model Law which were in circulation before the respective Central GST Bill and the State GST Bill and Union Territory GST Bill were introduced in the Parliament and in the respective State Legislatures of the country are in slight variance.

32. The scheme of enactments as mentioned above makes it clear that the assesses whether assigned to the Central Tax Authorities or the State Tax Authorities as the case may be are required to file only one set

of Return under Chapter-IX of the respective GST Enactments of 2017

WEB COPY r/w Chapter-VIII of the respective GST Rules. The returns that are contemplated under Chapter-IX of the respective GST Enactments and Chapter-VIII of the respective GST Rules are *parimateria* with each other.

33. The returns to be filed by the Assessee's under the respective GST Enactments are same. They capture all the details under the respective GST Enactments applicable to an assessee.

34. The returns are to be filed in the common portal as defined in Section 2(26) of the respective GST Enactments . As per Section 2(26) of the respective GST Enactments “Common portal” means the common goods and services tax electronic portal referred to in Section146. Section 2(26) and Section146 of the respective GST Enactments reads as under :-

Section 2(26) of the respective GST Enactments-

Definition -Common portal means the common goods and services tax electronic portal referred to in section146;

recommendations of the Council, notify the Common Goods and Services Tax Electronic Portal for facilitating registration, payment of tax, furnishing of returns, computation and settlement of integrated tax, electronic way bill and for carrying out such other functions and for such purposes as may be prescribed.

35. The returns that are contemplated under these Rules are composite returns which will not only capture the tax liability under the CGST Act, 2017 but also TNGST Act, 2017 and IGST Act, 2017. The returns also capture the Input Tax Credit that are availed by an assessee under the respective GST Enactments.

36. That apart, the payment of tax whether under the CGST Act, 2017 or under TNGST Act, 2017 are at the same rate. The only difference that may arise at the time of payment of tax due to utilization of the Input Tax Credit (ITC) availed on the inward supplies and their cross utilization for discharging the tax liability in terms of Chapter-X of the respective GST Enactments r/w Chapter-IX of the respective GST Rules, 2017.

37. The utilization of Input Tax Credit under the respective GST

Enactments are in terms of Sub-Section (4) to Section 49 of the respective

WEB CO Central and TNGST Enactments. They read as under:-

“49. Payment of tax, interest, penalty and other amounts-

(2)

(3)

(4) The amount available in the electronic credit ledger may be used for making any payment towards output tax under this Act or under the Integrated Goods and Services Tax Act in such manner and subject to such conditions and within such time as may be prescribed.”

38. Thus, the Input Tax Credit availed under the provisions of the Central GST Act, 2017 can be used for payment of Output Tax under the said Act or under the IGST Act, in such manner as may be and subject to such conditions as may be prescribed.

39. Similarly, the Input Tax Credit availed under the provisions of TNGST Act, 2017 can be utilised only for payment of Output Tax under the provisions of said IGST Act, 2017 in such manner and subject to such conditions and within such time as may be prescribed under the Rules.

50. Without prejudice to the provisions of sub-section (1) to Section 4, the **Board** under Section 4(2) of the CGST Act, 2017 may, by an order, authorize any officer referred to in clauses (a) to (h) of section 3 to appoint any officers of the Central Tax below the rank of Assistant Commissioner of Central Tax to be the Central Tax Officer for the administration of the CGST Act, 2017.

51. Thus, the Board can authorize any officer referred to in clauses (a) to (h) of Section 3 of CGST Act, 2017 to appoint any officers of the Central Tax below the rank of Assistant Commissioner of Central Tax to be the Central Tax Officer for the administration of the CGST Act, 2017 alone. 52. Similarly, under Section 4(2) of the TNGST Act, 2017, the **Commissioner** has jurisdiction over the whole of State. The **Additional Commissioner** shall have jurisdiction over the whole of the State in respect of all or any of the functions assigned to them. Where the **State**

may be specified in this behalf by him, delegate his powers to any other officer subordinate to him.

59. Thus, the delegation only is to the officers under the respective GST Enactments, unlike in Section 6 of the Model GST Laws which contemplated wide powers with the Board/Commissioner under the respective Model GST Laws to delegate the powers to officers from their counterpart Department.

60. Section 6 of the respective Central GST Act, 2017 and TNGST Act, 2017 are relevant for cross-empowerment. 61. Thus, Section 6(1) of the respective GST Enactments empowers Government to issue notification on the recommendation of GST Council for cross-empowerment. However, no notification has been issued except under Section 6(1) of the respective GST Enactments for the purpose of refund although officers from the Central GST and State GST are proper officers under the respective GST Enactments.

62. Since, no notifications have been issued for cross-empowerment with advise of GST Council, except for the purpose of refund of tax under Chapter-XI of the respective GST Enactments r/w Chapter X of the

respective GST Rules, impugned proceedings are to be held without WEB CO jurisdiction. Consequently, the impugned proceedings are liable to be interfered in these writ petitions.

63. Thus, if an assessee has been assigned administratively with the Central Authorities, pursuant to the decision taken by the GST Council as notified by Circular No.01/2017 bearing Reference F.No.166/Cross Empowerment/GSTC/2017 dated 20.09.2017, the State Authorities have no jurisdiction to interfere with the assessment proceedings in absence of a corresponding Notification under Section 6 of the respective GST Enactments.

64. Similarly, if an assessee has been assigned to the State Authorities, pursuant to the decision taken by the GST Council as notified by Circular No.01/2017 bearing Reference F.No.166/Cross Empowerment/GSTC/2017 dated 20.09.2017, the officers of the Central GST cannot interfere although they may have such intelligence regarding the alleged violation of the Acts and Rules by an assessee.

65. The manner in which the provisions have been designed are to ensure that there is no cross interference by the counterparts. Only exception provided is under Section 6 of the respective GST enactment. Therefore, in absence of a notification for cross-empowerment, the action taken by the respondents are without jurisdiction. Officers under the State or Central Tax Administration as the case may be cannot usurp the power of investigation or adjudication of an assessee who is not assigned to them.

66. Therefore, the proceedings initiated by the respondents so far against the respective petitioners by the Authorities other than the Authority to whom they have been assigned to are to be held as without jurisdiction. Therefore, the impugned proceedings warrants interference.

67. At the same time, it is noticed that there is possibly case made out against each of the petitioners and since same power ought to have been exercised by the respective counterparts of the respondents, namely the Central Authority/State Authority as the case may be, to whom the respective petitioners have been assigned, proceedings should be initiated against each of the petitioners by the Authority to whom they have been

assigned for the purported loss of Revenue under the respective GST Enactments.

68. Therefore, while quashing the impugned proceedings, there shall be a direction to the Central Authority/State Authority as the case may be to whom the respective petitioners have been assigned for administrative purpose to initiate appropriate proceedings afresh against them strictly in accordance with the provisions of the respective GST Enactments and GST Enactments Rules and Circular issued thereunder. The time between the initiation of the proceedings impugned in these writ petitions and time during the pendency of the present writ petitions till the date of receipt of this order shall stand excluded for the purpose of computation of limitation.

69. These writ petitions are disposed with the above observations. No costs. Consequently, connected miscellaneous petitions are closed.
